

Introduction to the Labyrinth: Reflections on Pilgrimage

A day of discovery and reflection, delving into the history and the mysteries of the labyrinth. We will walk the labyrinth and reflect on the purpose of pilgrimage in our lives. What did the builders of labyrinths have in mind? How did pilgrimage serve them? How does pilgrimage serve us now? How does pilgrimage occur in your life? Make the pilgrimage to Shalom and join fellow pilgrims Peg Edera and DC Donohue on a journey of the heart using prayer, study, silence, walking a labyrinth, writing and art.
