Dear Labyrinth Lovers ~

**April Showers bring May Flowers** . . . and they also bring out our gorgeous *Labyrinth Network Northwest Labyrinth Umbrellas*!! These large white umbrellas have the purple Chartres Labyrinth printed on them. The practical wooden handle has the curved bottom that we all love. You will never grab the wrong umbrella again.

Here's a link to a picture of the Umbrella on the Veriditas website--  
[www.veriditas.org/products/index.shtml](http://www.veriditas.org/products/index.shtml) **Note that if you buy it from Veriditas it will cost you \$35 PLUS \$6 shipping!**

I have volunteered to be the keeper of our stock (currently only 23) of Labyrinth Umbrellas. But they belong out there in the Northwest rain, don't you agree? These make fabulous and unique gifts. **The amazing LNN price is only \$20**, and half of that goes back to our beloved *Labyrinth Network Northwest*. If you would like to purchase 1 or 2 of these (before they're gone) or sell a few at a Labyrinth event you are sponsoring, please contact me directly. I will be happy to share.

With you on the wet path,

Eunice Schroeder
