

World Labyrinth Day

May 2nd, 2009

A global celebration of the labyrinth
The first Saturday in May

World Labyrinth Day is a day that brings people from all over the planet together in celebration of the labyrinth as a symbol, a tool, a passion or a practice.

World Labyrinth Day can be a day to inform and educate the public, host walks, build permanent and/or temporary labyrinths, make labyrinth art or more.

If there are only right ways to walk a labyrinth, it follows that there are only right ways to celebrate World Labyrinth Day.

“Walk as One at 1”

You are invited to walk a labyrinth at 1 PM in your time zone to effect a rolling wave of labyrinth walking as the earth turns.
