

The Labyrinth: A Talk and Walk

If you have seen or heard of the labyrinth and wondered how to approach it, this is your opportunity to ask questions and take your first labyrinth walk.

The program begins with a brief introduction to the labyrinth, its history and uses.

After receiving a few simple instructions, everyone will have an opportunity to walk a Petite Chartres canvas labyrinth. Handouts with more information on labyrinths will be provided.

Attendance is limited to forty so that everyone will have time to walk the labyrinth. Please register between June 21st and July 12th at
