

Labyrinth Umbrellas

**A Benefit for LNN 2009
Gathering Scholarships**

Dear Labyrinth Lovers ~

Here's a FUN and LABYRINTHIAN way to walk Labyrinths in our beautiful Northwest! This lovely item is a **Fund-Raiser for Labyrinth Network Northwest**. These large white umbrellas have the purple Chartres Labyrinth printed on them. The practical wooden handle has the curved bottom that we all love. You will never grab the wrong umbrella again.

Veriditas also sells these umbrellas, **BUT, note that if you buy it from Veriditas it will cost you \$35 PLUS \$6 shipping!**

I have volunteered to be the keeper of our stock (currently only 12) of Labyrinth Umbrellas. But they belong out there in the Northwest rain, don't you agree? These make fabulous and unique gifts. **The amazing LNN price is only \$20**, and half of that goes back to our beloved *Labyrinth Network Northwest*. If you would like to purchase 1 or 2 of these (before they're gone) or sell a few at a Labyrinth event you are sponsoring, you can now purchase them on-line (with a credit card) through the LNN website, and then pick them up at an LNN event.

With you on the path,

Eunice Schroeder
