

Bringing In the Light, A Winter Solstice Labyrinth Walk & Drumming Circle

Let us come together to celebrate the Winter Solstice, the longest night of the year, as we walk a path of peace, unity, and fellowship, offering our lighted candles symbolizing the rebirth of the sun/Son's light and the gradual reawakening of Earth's bounty that this light promises. Help to usher in the new season and "bring in the light" with drumming, chanting and dancing!
