***Circles in the Sand is a special project of Sacred Journeys***

Denny Dyke, founder of Sacred Journeys, will be drawing labyrinths on the coast of Oregon. Denny is a member of The Labyrinth Society and Labyrinth Network Northwest. Circles in the Sand was created as a way for everyone to have a chance to enjoy the beauty of the labyrinth and become more informed about them. All labyrinths available to be walked from the time they are completed until the tide reclaims the beach.
