

*Illumination of HeartMind,
A Winter Solstice Labyrinth Walk
w/ Drumming, Dancing, & Chanting*

This 2011 Solstice ushers in the 2012 year of Ascension when humanity will fully awaken to the divinity within and each person's role as co-creator of the cosmic divine plan that will manifest on 12/21/12. Joyfully creating what we wish for in this next year with heartfelt thoughts of gratitude, unity, and love as we walk in community illuminates every corner of the cosmos with healing light. Give this gift to yourselves this year!
